

## EXHIBITION AND SPONSORSHIP PROSPECTUS

The KRMEA(Korea Rotating Machinery Engineers Association) has been held on the Korea Rotating Machinery Symposium(KRMS) since 1998. The member of KRMEA makes an effort to research and development of KRMS in order to contribute to the rotating machinery industries growth of Korea. As a result, numbers of participants increase steadily every year. More inquiries are being received for this symposium from every country under the sun.

---
